In the dark and in the doubt, When my courage runs out
That's when I need to get down and pray, I need that lamp to light my way

When I'm alone and so afraid, In a tight and narrow place
I'm on my path with its twists and turns, Oh, my goodness so much to learn

Shechinah she calls me to serve in joy, Pick up my spirits off the floor
With an open heart and compassionate mind, I open up to embrace the Divine
